

Made For Us

[Intro]

Woah, oh-oh, woah

Woah, oh-oh, woah

[Verse 1]

He walked the grain fields on the seventh day

His friends beside him on the dusty way

They were hungry, so they picked and ate

The handful that the Torah freely gave

But watching eyes were waiting by the road

They called it Sabbath-breaking, row by row

[Pre-Chorus]

He didn't break it, didn't throw it down

He lifted off the burdens they had bound

And set it back where it stood from the start

A day of rest from the Father's heart

[Chorus]

The Sabbath was made for us

A gift held open wide

Yeshua is Lord of the Sabbath

And mercy waits inside

[Post-Chorus]

Woah, oh-oh, woah

Woah, oh-oh, woah

[Verse 2]

He spoke of priests who served on Sabbath days

And Torah held them blameless all the same

He said one greater than the temple came

Right there among them in the rows of grain

Yahweh wants mercy more than sacrifice

His friends were guiltless in the Father's eyes

[Pre-Chorus]

He didn't break it, didn't throw it down

He lifted off the burdens they had bound

And set it back where it stood from the start

A day of rest from the Father's heart

[Chorus]

The Sabbath was made for us

A gift held open wide

Yeshua is Lord of the Sabbath

And mercy waits inside

[Post-Chorus]

Woah, oh-oh, woah

Woah, oh-oh, woah

[Bridge: stripped down, bass and voice]

Yahweh blessed the seventh day

When all his work was done

It was holy then, and it's holy now

A rest for everyone

[Build-Up]

He is Lord of the Sabbath

He is Lord of the Sabbath

[Final Chorus]

The Sabbath was made for us

A gift held open wide

Yeshua is Lord of the Sabbath

And mercy waits inside

[Outro]

Woah, oh-oh, woah

A gift held open wide

[End]
