"The following is a direct script of a teaching that is intended to be presented via video, incorporating relevant text, slides, media, and graphics to assist in illustration, thus facilitating the presentation of the material. In some places, this may cause the written material to not flow or sound rather awkward in some places. In addition, there may be grammatical errors that are often not acceptable in literary work. We encourage the viewing of the video teachings to complement the written teaching you see below."

Confusions and Contradictions

God's word is true, he is not the author of confusion. However, some common interpretations of the New Testament result in major confusion AND contradictions.

Consider these questions:

1 John 3:4 says that sin is the transgression of God's law. But some say that violating God's law is no longer sinful. Can something that is sin one day not be sin the next? Does God's definition of sin change?

Isaiah 40:8 says that God's word stands forever. But some say that parts of God's word were temporary or are now irrelevant. How can something that stands forever be temporary? And if it continues to stand, how can it be irrelevant?

In Matthew 5:17-19, our Messiah declared that he did not come to abolish the law but to fulfill it. He warned that not even the smallest part of the law would disappear until heaven and earth pass away. But some say that Paul declared parts of the law to be abolished. Others say that Paul declared parts of the law to be abolished. Why would an apostle of Christ contradict Christ himself?

If we believe God's Word is eternal and unchanging, we must reconcile all Scripture without creating contradictions.

If you want to explore how the entire Word of God is meant to be part of our faith and understand how the New Testament does not teach that the law of God was abolished or changed, we invite you to visit the 119 Ministries YouTube channel or our website at TestEverything.net. We hope to see you there!

Shalom, and may Yahweh bless you in walking in the whole Word of God.
